Cutting, Scoring, and Score Cutting Services

Custom Cutting Capabilities - Our precision equipment will cut any roll of flexible strip material to the size that your application requires. Please consult your sales specialist for quotes and to have cut-piece yield estimates calculated. Cut to length pieces from a minimum of one full roll of material (bulk/not stacked). **(Match pole) Magnet to Magnet applications.

Scored to length - cut is made through the liner and part way into the magnet. (remains in roll form)

Score-cut to length - cut is made on magnet side up to the liner. Liner remains intact throughout the roll (remains in roll form).

Cutting, scoring and score cutting fees apply. *Quantity roll orders may reduce price, call for quote.
