### **Magnetic Sweepers Provide Versatility, Efficiency and Safety**

**Castle Rock, Colo.**, April 22, 2019 – For more than 40 years, Master Magnetics Inc. (The Magnet Source®) has focused exclusively on magnets, providing a highly profitable line of magnetic products to retailers throughout North America.

This year, Master Magnetics is pleased to introduce and feature a variety of new magnetic products at the 2019 National Hardware Show, booth #7219, including the [3-in-1 Magnetic Sweeper with Quick-Release](#).

Reduce the risk of injury and property damage with the 3-in-1 Magnetic Sweeper with Quick-Release. Designed to tow, mount or hang, the 3-in-1 Sweeper works over any terrain, in any weather condition. Available in five widths ranging from 48" to 96". MSRP: Starting at \$450

[Magnetic sweepers](#) provide:

- Reduction of personal injury – loose or sharp debris on floors can lead to falls, cuts or puncture wounds
- Prevention of property damage – nails or scrap metal in shops, work bays, warehouse aisles and roadways can result in tire and vehicle damage
- Faster clean-up – powerful magnetic sweepers quickly collect large quantities of metal items or scraps
- Reclaiming of usable items – nails, screws and other metal components are easily retrieved and kept separate from other types of debris

For more information on all Master Magnetics' push, hang or [trailer-type magnetic sweepers](#), visit [magnetsource.com](http://magnetsource.com).
