Tow-Behind Magnetic Sweeper offers Versatility and Value *3-in-1 sweeper with towing, hanging and mounting options*

Castle Rock, CO April 10, 2014 – Master Magnetics, Inc. (The Magnet Source®) will be featuring the **Tow-Behind Magnetic Sweeper**, the latest addition to their extensive line of magnetic floor sweepers, at the 2014 National Hardware Show in Las Vegas, Nevada, booth #7219.

Three ways to sweep:

This versatile magnetic sweeper can be used in three different configurations:

- Tow-Behind
- Mount to Forklift
- Hang from vehicle

Ideal for clearing metal debris from driveways, factory aisles, trucking terminals, parking lots, construction sites and more. Works over any terrain, in any weather condition.

- Towable magnet can be towed from a variety of vehicles
- Load release feature for easy cleaning
- Heavy-gauge steel and aircraft-grade aluminum housing
- 8" Dia. wheels provide 3" ground clearance
- Removable handle for suspension mounting
- Tightening eyebolts for forklift mounting
- Available in widths of 48", 60", 72", 84" and 96"
- Operating speed - 3 to 5 mph, depending on surface
